

VERTICAL MIRROR MOUNT-UP

DT-VMM-UP

DT Vertical Mirror Mount Up is an on wall projector mirror mount featuring high performance optical mirrors, custom projector interface and flexible alignment adjustment. It is intended for applications with the projector lens pointing up and the base of the projector pointing away from the screen.

DISPLAY TECHNOLOGIES

Display Technologies is a British brand specialising in advanced projector screens, mounting brackets and custom installation solutions. Their focus on the combination of technical performance and design for install, ensure that all DT products meet the needs of both the client and installer.
